An application for a self-insurance permit or a self-insured employer seeking a renewal permit, shall, if the director requests, pay the fees of a consultant approved by the division of workers compensation to determine if the employer has the financial ability to become self-insured or to have his self-insurance permit renewed.

The applicant for a new permit or an employer seeking a renewal permit shall furnish to the division of workers compensation a bond written by a surety company admitted to the state, and authorized by the Kansas insurance department to write surety bonds as required by the division.
